Term 2- The Iron and Bronze Age

English

This term we will be reading 'The Iron Man' by Ted Hughes. The book tells the story of a mysterious iron giant whose destructive quest for food alarms the local community. However, an unlikely friendship causes a drastic change to his nature.

Mathematics

We will be continuing with our topic of Addition and Subtraction as part of the White Rose Scheme for a further two weeks. Then our focus will shift to Multiplication and Division, using both mental and formal written methods to then apply to word problems and everyday life.

P.E

This term our two sports are multi-skills and badminton. In multi-skills, we will be completing a range of activities to improve agility and fitness. Badminton will be a completely new sport for the children so we will be looking at the rules of the game and working on our hand-eye coordination.

History

We will be continuing with our exploration of the prehistoric era looking this term at the Bronze Age all the way up till the end of the Iron Age. We will look at the changes that occur to homes, food, and daily life in these periods.

D.T.

This term we will be focusing on making our product for the Christmas market. We will also be learning about different types of bridges and how these are stregthened using a variety of supporting joins.

Spanish

We will be building on our knowledge of introducing ourselves and numbers and move onto colours and family members. We covering all four skills of speaking, listening, reading and writing.

R.E-Prophecy and Promise

We will focus on 2 themes-The first focusses on what happens at Mass. In the second we learn about the account of the birth of Jesus in Matthew's Gospel.

Science

Out topic for this term is animals including humans! We will be exploring what an animal needs to survive and looking into the different parts of the bodies including the skeleton and the important jobs they have.

PSHE

This term we will be exploring a lot of feelings this term especially how other people are feeling and the implication of our action. We will be looking at our book 'The Iron Man' to help us.

Music

We will develop our musical skills through singing, listening, performing and exploring rhythm, pitch and dynamics. A key focus will be preparing for our Christmas Carol Concert at Rochester Cathedral, where the children will work together to learn and perform a selection of festive songs.

R.S.E

We will explore the Gospel story Jairus' daughter in various creative and reflective ways. Through story and discussion, children will learn that they are designed for a purpose and how they should live in light of this. We will also meet the animated character, AJ. The children will learn to celebrate similarities and differences, and to appreciate and look after their bodies as gifts from God.
